

Mikhail Kobtsev

REACT FRONT-END DEVELOPER

Profile

Hello, my name is Mikhail, I'm **20 years** old **Computer science student in NSU** who is interested in creating web applications.

I have about **2 years experience** in which I managed to work on **2 commercial projects** and over 10 demo projects.

At first I was practicing as a **Python Full-stack developer** and now decided to choose a narrower focus.
